Little Sprouts participates in international internship program

Merrimack Valley, MA. July 22, 2008 – Little Sprouts is happy to welcome students from abroad into their Little Sprouts schools. Sibó Wang, an intern from Beijing, China, will be working with Jessica Todisco, the Community Outreach Specialist for Little Sprouts. Sibó is apart of the Cultural Homestay International internship program which is working with Little Sprouts to help enrich the lives of students abroad. During her time in America, Sibó will have the opportunity to learn firsthand how an early education center is run effectively as well as have the chance to participate in the planning, and marketing stages of a wide variety of events for Little Sprouts families and members of the community. This will be an opportunity where both parties can learn a variety of knowledge from one another. “I am looking forward to this experience,” noted Sibó. “I am excited to learn about Little Sprouts and the involvement that they have within their communities.”
